Dear Mr. Larson:

On behalf of the Bay-Delta Advisory Council and CALFED Bay-Delta Program I wish to thank you for your presentation at the North City Water Reclamation Plant in San Diego on July 9, 1999.

Your thoughtful and informative comments helped us achieve one of the goals of our visit to San Diego, which was to obtain a better understanding of the water management issues facing San Diego and other portions of southern California. Hearing from stakeholders, such as yourself, and others who do not normally attend CALFED meetings is important to ensure we have a clear understanding of issues which need to be addressed as the CALFED Program develops.

It was a pleasure to meet you and learn more about San Diego County agriculture.

Sincerely,

A handwritten signature in black ink, appearing to read 'Eugenia Laychak'. The signature is fluid and cursive, with the first name 'Eugenia' being more prominent.
